SIR,

Adverting to your letter No. G.24808/PP.11-19-423 dated 1st
May 1920 enclosing 11 debit notes from Messrs. Jeremiah Lyon &
Co., Ltd., London, I have the honour to state that the debit notes
do not give any information of the Department to which the relative
supply of articles was made by the Firm.

The procedure now adopted with regard to payments made to the
Firm by Messrs. Coutts & Co., London, against invoices from the said
Firm causes a great deal of difficulty and delay in audit and ac-
counting, as the Department to which the respective supplies are
made by Messrs. Jeremiah Lyon & Co., London is not mentioned in the
debit notes.

In this connection I beg to invite kind reference to my letter
No. 347/Books dated 6-11-19, requesting to be informed of the terms
as finally agreed to between the Mysore Government and the said firm
and to state that in the absence of definite instructions to the
several departments in regard to orders placed and of details re-
quired in this office for auditing the payments, the classification
of the charges advised by Messrs. Coutts & Co is found very difficult.
